Thoroughly modernised interiors, spacious parcel of premium real estate with side access, a quiet location close to the very best amenities around, and potential for even more - this single-storey brick family residence is simply a great investment that will just keep on giving to you and your family.

The spaces are eye-catching and functional, and the layout is uncomplicated. Not only will it be a pleasure to set your family up in its pleasing, contemporary spaces, but also to contemplate its possibilities, such as a granny flat (STCA) in the spacious backyard, or a second alfresco dining area at the rear of the home. And the prime location will make this a sought-after investment now and in the future.
